Offered by Food Science and Nutrition Department and Extended Education
Program Highlights

Wellness Promotion Emphasis Internship

**INDIVIDUALIZED EXPERIENCES**
- Choose from our diverse community rotation sites.
- Complete staff relief in any area of practice.
- Create an elective experience that meets your professional needs anywhere across the country or even internationally.

**GROUP OF 10 INTERNS**
The Dietetic Internship enrolls 10 interns annually on the beautiful Central Coast of California.
- Seven in San Luis Obispo County.
- Three in Santa Barbara County.

**WEEKLY ADVANCED CLASSES**
Weekly classes bring interns together and allow them to explore and apply advanced professional concepts.
- Graduate-level credits embedded into the internship.
- Graduates enter various positions in all levels of dietetics practice.
